

BIODIVERSITY: THE BIG PICTURE

4.2.1 ID the factors that lead to loss of diversity

4.3.1 State the arguments for preserving spp & habitat

This is why we need Biodiversity!

- Diverse Food Sources
(ex. Not just one type of potato → Irish Potato Blight)
- Tourism & Recreation → Financial Losses
(ex. GBR, African safaris)
- Medical Future
(ex. Aspirin from willow)
- Loss of Environmental Services (AKA Ecological Services)
- Loss of Aesthetic & Spiritual Connections to Enviro.
